RESOLUTION CREATING A NATIONAL SOLID WASTE MANAGEMENT COMMISSION TECHNICAL WORKING GROUP (NSWMC-TWG)

WHEREAS, it is the policy of the state to adopt a systematic, comprehensive and ecological solid waste management program which shall ensure, among others, the protection of public health and environment, and utilize environmentally-sound methods that maximize the utilization of valuable resources and encourage resource conservation and recovery;

WHEREAS, the National Solid Waste Management Commission ("the Commission") shall create a Technical Working Group (TWG) composed of representatives of member agencies as well as other organization as it may deem necessary;

WHEREAS, the Technical Working Group (TWG) shall prepare the work programs and other preparatory documents to be submitted to the National Solid Waste Management Commission ("the Commission") for final discussion and corresponding decisions;

WHEREAS, all expenses to be incurred by the TWG in the conduct of consultative meetings, public hearings, testing and validation, including but not limited to travel expenses shall be charged to the respective agency budget;

WHEREAS, the NSWMC members thoroughly discussed, deliberated and agreed to create a Technical Working Group (TWG) composed of permanent representatives of each member agency during the Commission meeting held on December 11, 2008.

NOW, THEREFORE, foregoing premises considered, BE IT RESOLVED, as it is hereby RESOLVED:

(1) That the TWG shall be composed of permanent representatives of each member agency of the Commission, preferably with working knowledge of the mandates of their respective agency;

(2) That the TWG shall convene to discuss issues and proposed policies and work programs for consideration and approval by the Commission.

APPROVED on the 29th of January 2009.
